Institute of Internal Communication

We are the only independent professional body solely dedicated to internal communication in the UK, we exist to help organisations and people succeed through promoting internal communication of the highest standard. Our accredited members are shaping the workplaces for the better. They know people and business. They create conversations that help people feel connected, engaged and purposeful. They impact the working lives of millions. We've been driving standards for over 70 years, through our qualifications, leadership and communities. We are the voice for internal communication, driving the agenda and building a movement of passionate, dedicated professionals. Because how we communicate at work matters. Because [#WeMatterAtWork](#) [1].
